Answer **five (5)** questions. Question **one (1)** is compulsory.

1. In six points, explain how Dar es Salaam Stock Exchange (DSE) is involved in the development of Tanzanian economy.

2. Mr. Masika has engaged in foreign trade and he is planning to transport goods from Tanzania to Mumbai in India using overseas shipping. He is in dilemma whether to use tramp or the liner ship in transporting his goods. Explain to him six differences between tramp and liner ships so that he can be in a position to decide on which one to use.

3. Suppose you are a loan officer in the National Micro Finance Bank (NMB) and a bank customer asks for a long term loan. Which factors would you consider before giving the loan to such a customer? Give six points.

4. "Barter system did not exist for a long time." With examples, validate this statement by giving six points.

5. In six points, analyse the problems facing primary production in developing countries.

6. Explain six advantages of multiple shops that make retailers not to regret from engaging in large scale retail business.

7. In spite of the popularity of Azam industries products in Tanzania, the firm still advertises its products. In six points, explain why the firm keeps on advertising its products.
