SECTION A: (20 Marks)

COMPREHENSION

Answer ALL questions in this section.

Read the following passage and answer the questions below.

   Salma and Silima's father was building a house. Therefore, with a company of his children went to buy bricks. On their way, Salma helped her brother to learn about shapes. After a while a big bus came. Salma asked Silima, **"What shapes do you see on the bus?"** "The wheels are round", said Silima, "so they must be circles"

   "Well done!" Said Salma. "And what shapes **are the windows?"** They are square. "The door is also square" replied Silima. "No" said Salma. Look again; the door has two long sides and two short sides. Oh! The door is rectangle.
